## WHO YOU SHOULD YOU CONTACT FOR SERVICE:

Xtreme Outdoors, LLC recommends the below order. Please note that each dealer/service center is different and that Xtreme Outdoors, LLC can't mandate if, when or how they perform their services

- 1. The dealership that sold you your camper.** Your selling dealer has the best knowledge of your camper and will often prioritize service for customers that they sold the camper to.
- 2. Any other Xtreme Outdoors / Little Guy authorized dealer.** Other authorized dealers will be familiar with your camper and how to service it. However, it is common during busy parts of the year for dealers to prioritize customers who bought their campers through them. Further, some dealers will not service trailers that were not bought from them.
- 3. A non-Xtreme Outdoors / Little Guy dealer or service center.** While we are happy to work with dealers, service centers and mobile technicians regardless of if they were involved with the sale of the camper, they would be required to use the same warranty process as a selling dealer. If you choose to use this method, it is possible that they will require you to pay them directly at the time of the service. In this case, you can submit a claim for reimbursement directly to us on our website at <https://golittleguy.com/warranty-authorization-request/>. **However, it is important to note that Xtreme Outdoors may not cover any or all expenses or agree to all rates charged. It is therefore recommended that you obtain a written estimate from your chosen servicing location, submit that to us at the above website and obtain an authorization from us (including an authorization number) before having the service performed.**

## GENERAL TERMS OF THE WARRANTY

**The RV's Warranty must be registered within thirty (30) days from the date of initial purchase from the dealer for the Warranty to be valid. Xtreme Outdoors's PDI form must be filled out and submitted with the registration. Warranty registration is ultimately the customer's responsibility if the selling dealer does not do so.**

Xtreme Outdoors is not responsible for any undertaking, representation, service agreement, or warranty beyond what is expressly set forth in this Warranty. Any extended warranty purchased through your dealership is an agreement between you, the dealer, and the extended warranty company.

**REPAIR REMEDY:** If within the relevant warranty period, a defect in materials or workmanship is found to exist that is not excluded from coverage, Xtreme Outdoors' sole and exclusive obligation shall be to repair the defect. As a limited back-up remedy in the event the RV cannot be repaired, to be determined in the sole and absolute discretion of Xtreme Outdoors after receiving a reasonable opportunity to repair, Xtreme Outdoors may, at its option, either (1) pay you an amount equal to Xtreme Outdoors' determination of the diminution in value of the RV that was caused by the defect, or (2) provide a similar replacement RV, reflecting a reasonable allowance for the owner's use of the original RV, to be determined by Xtreme Outdoors.

***PLEASE NOTE THAT UNDER NO CIRCUMSTANCE WILL XTREME OUTDOORS REIMBURSE YOU FOR THE TOTAL COST PAID BY YOU TO THE DEALER FROM WHERE YOU BOUGHT THE RV.***

Please note that any performance of repairs after the coverage period expires or any performance of repairs to those portions of your RV excluded from coverage shall be considered "good will" repairs, which shall not alter the express terms of this Warranty.

## **DEFECTS V DAMAGE**

Please note the distinction between “defect” and “damage” as used in this Warranty: “Defect” means the failure of the workmanship performed and/or materials used to conform with the design and manufacturing specifications and tolerances of Xtreme Outdoors. Defects are covered because Xtreme Outdoors is responsible; on the other hand, Xtreme Outdoors has no control over “damage” caused by such things as collision, misuse and lack of maintenance which occurs after the RV is delivered to the owner. Therefore, “damage” for any reason which occurs after the RV is delivered is not covered under this warranty. Maintenance services are also excluded from the warranty because it is the owner’s responsibility to maintain the RV.

## **PURCHASER'S OBLIGATIONS**

The purchaser shall give notice to the dealer within thirty (30) days after it is or should have been discovered, and make an appointment with the dealer to rectify the situation at the earliest possible time ; otherwise the Purchaser will have waived any such defect and claim, and any and all damages arising as a result thereof. The Purchaser is responsible to maintain the camper in accordance with the instructions provided in the Owner’s Manual and/or any other care and maintenance manuals supplied with the RV. Failure to follow proper procedures and seasonal maintenance schedules may void your Warranty. The Purchaser must inspect the RV at the time of delivery to ensure that it is acceptable as delivered. This RV has been sold to an independent dealer, and not an agent of Xtreme Outdoors , for resale in the ordinary course of the dealer's business, on terms and conditions and equipped as the dealer and the initial retail purchaser determine, and the initial retail purchaser’s agreement is solely with the dealer, not Xtreme Outdoors. Xtreme Outdoors does not participate in retail sales or retail contracts.

Among the other requirements under this Warranty, the Purchaser must also:

- Maintain the RV in accordance with the maintenance requirements contained in the Owner’s Manual;
- Make minor adjustments including (but limited to) doors, drawers, latches, regulators, controls, mechanisms, etc. after 90 days of ownership;
- Maintain all exterior seals and sealant, which must be inspected every 6 months to assure there are no gaps or voids, and correcting as necessary;

As stated above, some components, accessories or equipment are not covered by this Warranty. Examples include tires, batteries, optional generators, and some appliance & electronic entertainment equipment. However, those items may have coverage provided by the component manufacturer. These warranties are completely separate from this Warranty, and in some cases may cover different time periods and/or have specific coverage provisions and requirements. In order to activate these warranties, you may have to complete registration forms, postcards or some other form of notification to the component manufacturer within a specific time period. These forms and documents will be located with the Owner's Materials provided with your new vehicle. You must complete and submit them to the respective manufacturer as quickly as possible, and within the time periods required by those warranties.

**The original retail purchaser of the RV and any person to whom the RV is transferred or given or conveyed, and any person who is an intended or unintended user or beneficiary of this Warranty, shall not be entitled to recover from Xtreme Outdoors any consequential, punitive or incidental damages resulting from any defect in the RV, or loss of use, time or revenues. THIS WARRANTY IS THE EXCLUSIVE REMEDY FOR ANY DEFECTS RELATING TO THE RV.

### **DESIGN AND PRODUCT CHANGES**

Xtreme Outdoors, LLC reserves the right to change the design of its RV from time to time without notice and without obligation to make corresponding changes in its products previously manufactured.
