

A REVIVAL OF THE CLASSIC LITTLE GUY TRAILER

The Little Guy Shadow is inspired by 1940s-era retro teardrop trailers. With a dry weight of 1,760 lbs., the Shadow is lightweight and easy to tow. Which makes it a perfect upgrade for smaller vehicles. The Shadow is packed full of features to make your adventures easy and comfortable. The large front stargazer window helps to connect with nature, and the rear galley makes outdoor cooking a breeze. Our versatile drop-floor allows for a cozy bed, a relaxing couch, a dual dinette, or an on-the-go office, all in one cozy, portable space! **Learn more about the Shadow at: golittleguy.com/shadow**
